The MD, APMSIDC in the reference read above has stated that Government have decided that all Government Health Facilities shall be developed on par with Corporate Hospitals (IPHS Standards for Sub-Centers, PHCs, CHCs, AHs, DHs and MCI Norms for Teaching Hospitals). During the review meeting held on 10.12.2019 on Naadu - Nedu programme , it has been resolved to take up the projects in the following Phases, with necessary funding tie-ups

1) Phase - I : Sub Centers - NHM, World Bank funding.
2) Phase - II : PHCs, CHCs & AHs - NABARD, World Bank funding.
3) Phase - III : DHs & Teaching Hospitals - Multi - Lateral funding.

2. He has further stated that during the meeting held on 10.12.2019, it was decided as under for the Phase —III :

a) Construction of District Hospitals and Teaching Hospitals is targeted for completion within (3) years and proposed that select developer must maintain these institutions for a period of (10) Years post construction to ensure proper maintenance.

b) Since funding required for construction of these institutions is high, it is felt that suitable Private partner / developer may be selected through PPP mode i.e., under Annuity model adopting competitive bidding process.
